Bill and Jim are twins. Can you find at least 5 ways that Jim is different from Bill?

1. Jim has a booster seat. Bill has not.
2. Jim's shoulder belt is in front, not behind his back like Bill's.
3. Jim's lap belt is over his hips, not up on his stomach like Bill's.
4. Bill has lost a shoe!
5. Jim has a cat on his shirt. Bill has a rabbit.
